

Your partner for healthy food products.

FROM INSIGHT TO MARKET

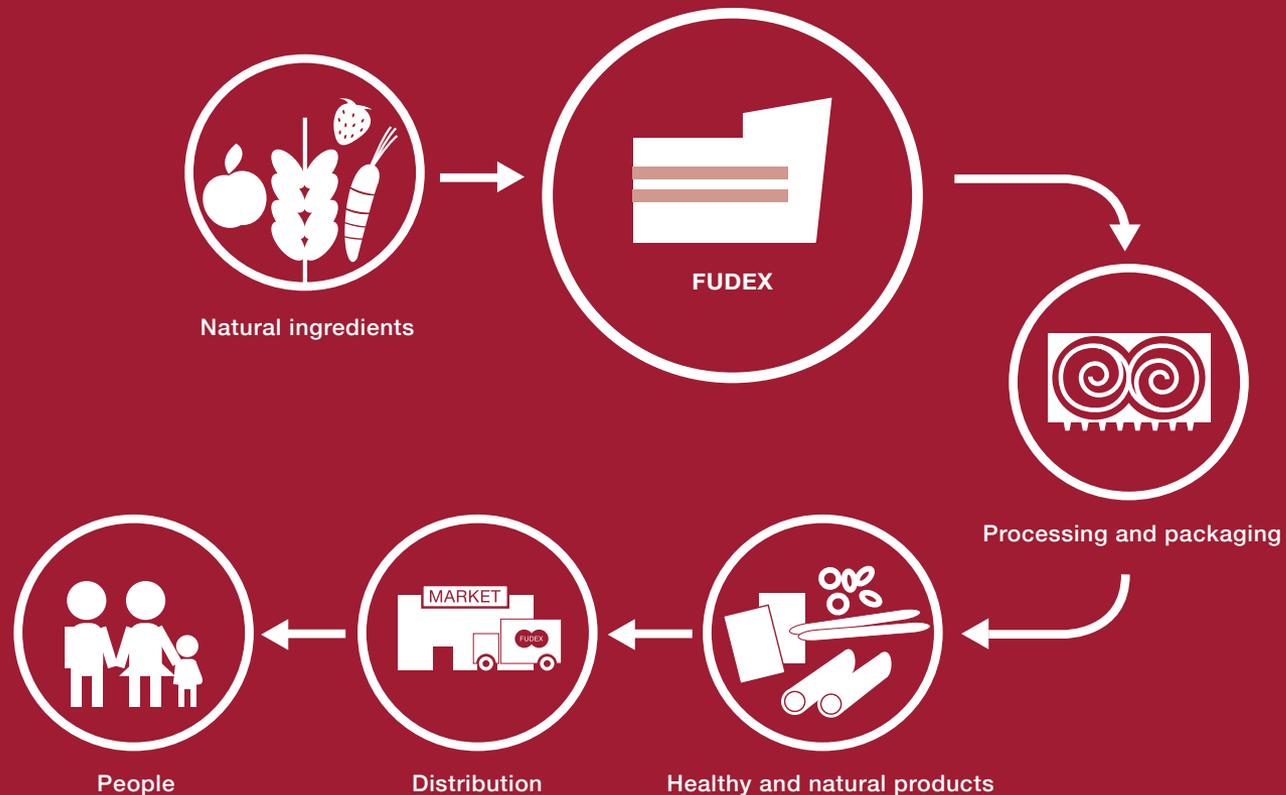

Starting from an industrial manufacturing process for plastic deformation, namely **extrusion**, Fudex revolutionised the market by applying this particular cooking technique to the food sector. Extrusion makes it possible to produce **health foods** - without added fats, yeast, preservatives or gluten - ensuring the conservation of the nutritional properties of the foodstuffs, thus responding to the needs of the market.

Fudex products are distributed in supermarkets, specialist shops, vending machines, drug stores, discount stores, pharmacies, etc.

INNOVATION

Today Fudex is one of the few food producers in the world that use **equipment developed entirely by its own engineers**, taking advantage of thirty years of accumulated know-how.

HISTORY

OUR PRODUCTS

CREAM FILLED SNACKS

These cream-filled cannoli combine a **crispy outer wafer** and a **sweet, tasty** filling.

This product has **high nutritional value** and does not contain added yeast or fats.

Fillings can be **sweet** (hazelnut, cocoa, coffee, yogurt, coconut, almond, etc.), **savoury** (pizza, olives, cheese, etc.) or **fruit** (apricot, red fruits, strawberry, apple).

CRISPBREADS

These sheets of gluten-free cereal are perfect for breakfast, ideal as a tasty alternative to rusks and are excellent as a snack or as a bread substitute during meals because they are **crunchy, light** and **appetising**.

They are particularly tasty if spread with jam, cheese, cream or savoury spreads.

OUR PRODUCTS

BREAD STICKS

Fudex **gluten-free** breadsticks are a **healthy** alternative to traditional breadsticks because they are free of added fats, yeast and gluten, like all Fudex products.

The flours used for these products are **rice, corn, buckwheat, millet, oats, amaranth, chickpeas, lentils, peas, beans, quinoa,** and **chia**.

The breadsticks are also available in an **Organic** version.

SAVOURY SNACKS

Fudex salted snacks are **low in fat** and **high in protein**.

Fudex follows all the trends of the time in terms of ingredients with a special focus on the nutritional properties of recipes.

Snacks can be packaged in a **pillowbag** or in **stand-up pouches** with a closable zip.

The flavourings (cheese, pizza, spicy, etc.) are developed together with the customer in order to respect the **needs of modern markets**.

OUR PRODUCTS

SOFT BARS

Fudex **cold-pressed bars** are distinguished by a process that allows them to preserve all the nutritional properties of the ingredients used.

Fudex **develops the recipe with its customers** (100% fruit, rich in fibre, rich in protein, Organic, containing probiotics, etc.) according to form and packaging needs.

Fudex bars are **Gluten Free & Vegan**.

CRUNCHY BARS

Fudex crunchy bars are characterised by an innovative recipe that uses **natural, allergen-free** products.

The combination of pieces of **fruit** and/or **vegetable**, together with **cereals, legumes, quinoa** and other innovative and on-trend ingredients, makes these snacks particularly light and satisfying.

Fudex develops recipes together with its customers in order to meet the needs of distribution markets.

OUR PRODUCTS

BABY PUFFS

BABY CRISP

Fudex's mission with regard to **baby** food is to offer the best natural snacks for the **development phase after the first 6 months of life**.

On the one hand, delicious combinations of flavours such as **banana, apple, blueberry, fig, mango, pear, carrot, beetroot, spinach, cabbage** and **pumpkin**, with their health properties, encourage self-feeding. On the other hand, Fudex **healthy snacks** for children provide the right amount of nutrition that may not always be present during regular meals.

Furthermore, the vegetable and fruit flavoured recipes are made with unrefined, gluten-free flours. These snacks are suitable for all hours of the day, possess **high nutritional values** and do not contain added yeast, sugar, salt or fat.

Fudex develops customised recipes according to the needs of its customers.

VERSATILITY

Working alongside the best national and international companies as **co-packers**, Fudex can be the right partner for those who want to develop innovative and healthy products under their own brand.

FLEXIBILITY

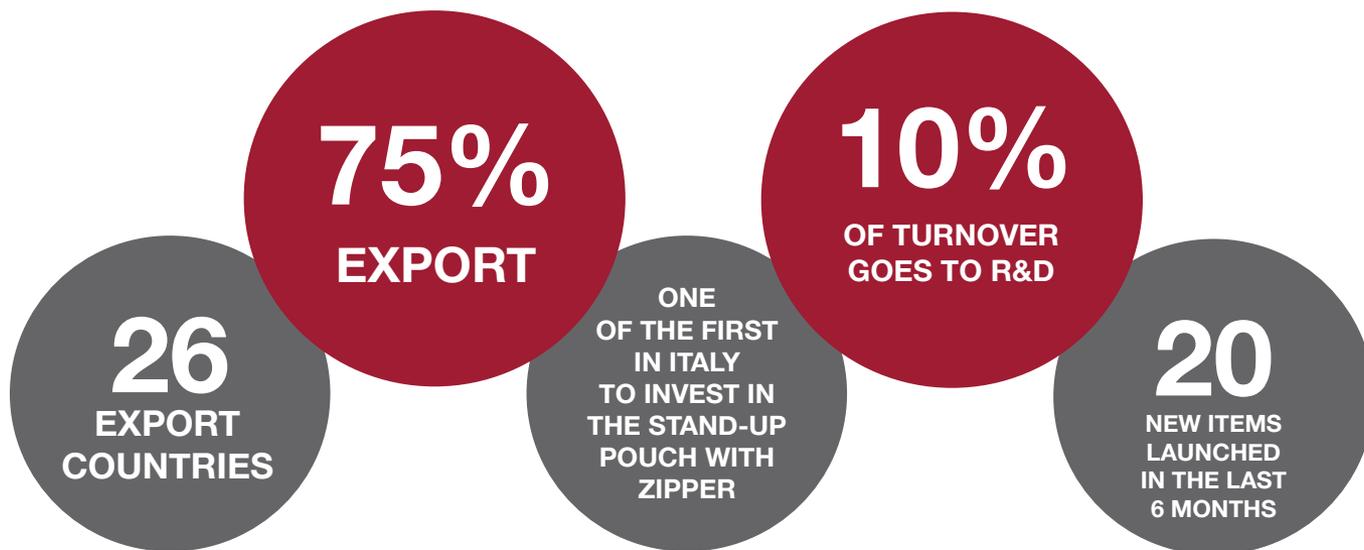

Fudex also specialises in developing **product packaging**, supporting its customers in the evolution of packaging forms and solutions.
